

IN THE SPECIFICATION:

Please amend the paragraph starting at page 35, line 8 and ending at line 15, as follows:

--In the above-described first and second embodiments, the HMD is employed as a display unit, however, the present invention is applicable to a head up display (HUD) optical see-through AR system as disclosed in Japanese Published Unexamined Patent Application No. 10-051711, ~~10-061711~~, in which a superimposed image is generated in correspondence with a display device and a view point position.--
